ADDITIONAL INFORMATION REPORT

CASE# 1901737

02/26/19, 1922, E. Peterson
Date, Time, Reporting Officer:

On 02/26/19 at approximately 1922 hrs I was dispatched to a report of a threat at 4794 Williams Valley rd in Stevens County WA. Dispatch advised me that a threat had previously been reported at the listed address. The previous report was that someone left a letter taped to the victims fence. The letter demanded 10,000 dollars cash or physical harm would come to their family. See Deputy Stroisch report for further details, #1901730.

On 02/26/19 at approximately 1922 hrs the victim, Gayle Collins said the suspect vehicle arrived at her house and took a letter from their mailbox. According to Gayle, she was supposed to leave the money in the mail box according to the letter. Instead of leaving money, Gayle left a letter with blue dye in it. Gayle said a white SUV stopped at the mailbox and took the letter. Gayle's husband attempted to follow the vehicle but was unable to keep up with the suspect vehicle.

Gayle was able to take a photo of the suspect vehicle. I looked at the photo and was unable to determine anything other than it appeared to be a white SUV. The photo was in black and white and was taken at a distance.

Deputy Schumacher searched the area and was unable to locate the vehicle.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct" 9A.72.085.
